Our day to day lives can certainly leave us feeling tired, disconnected and uninspired. For the seventh straight year, Denise will be hosting what some have come to call the “Goddess Group” where the teachings of the Divine Feminine are always at the forefront.

Please join Denise and a sacred circle of women who gather each month to meditate, share, discuss and study esoteric philosophy and metaphysics within sacred space.

Each monthly gathering is independent of the other and offers the space for participants to balance, focus and align with Spirit.

Please register and pay online (\$20) at www.Templewithin.com or by cash/check the day of the gathering.
